Code of Ethics

As members of the National Electronic Security Alliance we shall strive to maintain the highest level of integrity and professionalism by adhering to this Code of Ethics.

We shall:

- Maintain a high level of honesty and integrity in all of our dealings.
- Work continuously to improve the quality of our associations.
- Provide mutual support and assistance to fellow members.
- Disseminate information to promote and improve our industry.
- Cooperate with and assist regulatory agencies in producing codes and legislation beneficial to the general public and the industry.
- Maintain a good relationship with national, state and local government agencies.
- Advertise in a non-deceptive manner and in accordance with applicable laws.
- Comply with all antitrust laws.
